Growing in Faith & Spiritual Leadership
Course Credit Breakdown

These five-week courses provide an opportunity for students to come and enjoy Bible Institute teaching and training in a shorter format. The courses are designed in a way where they can be enrolled in separately or for a complete 10-week period. Each of the classes will be designed to meet all requirements for Bible Institute credit to be achieved. If a student does decide to attend the complete 10-weeks they will receive 16 credits, which is very close to a full-time semester. The credits one would receive for the five-week courses are as follows:

Growing in Faith - September 19 - October 23

Gospel of John - 2 credits
Inductive Bible Study / Bible Study Methods - 2 credits
Lectures in Ministry & Theology - 1 credit
Devotions - 1 credit

Spiritual Leadership - October 24 - November 27

Spiritual Leadership - 2 credits
Joshua - 2 credits
Lectures in Ministry & Theology - 1 credit
Devotions - 1 credit

- Servanthood m199 will still occur and students will be required to do 6 hours a week of servanthood on site. If students complete the 10-weeks (both five-week courses) they will earn 1-credit for m199 Servanthood
- Old/New Testament Survey Courses (Chuck Tracks) will be done via distance learning starting on August 24
- The option to add a distance learning class will provide the additional credits needed to be the equivalent of an 18-credit full time semester.
